Show presentations!
You simply have to be there!

Our keepers will introduce their charges and tell you how they live, their habits and preferences. They will also be pleased to answer your questions.

Show presentations peak season

(beginning of March until the end of October)

Time	Animal (enclosure no.)
11.00 hrs	Coatis 9

15.00 hrs	Red (lesser) pandas 47
15.30 hrs	Sumatran orang-utans 63

With reference to the shows:
Please note that they may be cancelled for organisational or practical reasons.

Insider tip – check out the stabling!

If our animals are not in the outside enclosures because of poor weather or shortly before the park closes, why not visit them in their stables? There you can experience the animals – up close, and with their typical sounds and smells.
